英文作文 試題

(限用答案本作答)

I. Response to a hypothetical situation: (30%)

Recently, a position opened up at your department that could have meant a promotion for you. However, a person you work with was offered the job rather than you. What might be your reaction to this arrangement?

(Describe in one paragraph in about 100 words)

II. Essay writing. (70%) (With at least one opening paragraph, several body paragraphs, and a concluding paragraph) Argue for or against the statement: Children should learn their foreign language as early as possible.
