II. Reading comprehension : Based on the two passages, choose the best answer to each question. 40%

A letter from Chris at a camp

Dear Mom and Dad,

It's after lunch. Everyone is writing letters in the dining room. We have to write home every week, so here's my first letter.

I have three roommates. Two of them know how to use computers. They are in Mr. Buck's class. I'm studying BASIC. That's a computer language.

I have to design my own program this week. All of the campers have to. I

want to design a game. Then I can teach it to you.

We have to pick two other activities every day. I usually pick swimming, boating, horseback riding, or baseball. In my free time, I play games on the computers. Most of the campers do.

I like camp, but I don't like the food. It's terrible.

I have to say "good-bye" now. Everybody's going outside. See you in two weeks.

6. When does Chris write the letter?

- A.. In the morning B. In the afternoon C. In the evening D. At night

7. What is BASIC?
