(限用答案本作答)

Please read these instructions carefully. Failure to do so will lead to bad results. After this paragraph is a list of five topics. Please choose **ONE** of them and write an essay in which you trace the changes from Romanticism through Victorianism and Modernism ending in Postmodernism. A successful essay will provide detailed examples from representative works in each of these four periods which will illustrate how each period treats the issue differently. Only **ONE** essay will be graded. Please write your essay in an exam book, not on this test form.

1. modernity
2. gender relations
3. man's relation to nature
4. social class structure
5. family dynamics
